Mount Hope Children's Center Philosophy

The Mount Hope Children's Center is an outreach ministry of the Mount Hope United Methodist Church. Founded in 1989, the Center's philosophy is to provide a Christian learning environment for young children in our community. The Center provides early childhood learning experiences for children from ages 31 months until they are ready for kindergarten. The Center's objective is to offer a safe Christian environment staffed by qualified professional educators. We aim to nurture the children's development through socializing experiences and learning through play.

About our Center

Our early childhood curriculum is developmentally appropriate, providing for all areas of a child's development: physical, emotional, social and intellectual, through an integrated approach to learning, allowing each child to progress at their own pace. Using our teacher's curriculum, we emphasize learning as an interactive and creative process. Our teachers prepare the environment for the children to learn through active exploration and interaction with adults, other children and materials. A variety of activities and materials are available to include opportunities for: arts and crafts, block building, manipulatives, water play, books, reading readiness, writing, science, food experiences, dramatic play, music and movement, songs, outdoor play and much more.

Class Descriptions

Two-year-old classes

Children must turn 31 months by September 7th. We believe a child's first experience away from home should be supportive. While the emphasis of this program is on play and socialization, activities also include arts and crafts, music, science, nature and food experiences as well as story time.

Class size is limited to 12 children.

Program offered:

Monday and Wednesday with an option of Friday, too. **\$195.00 or \$235.00/Month**

Tuesday and Thursday **\$195.00/Month**

Class time: 9:00 AM to 11:35 AM

Three-year-old classes

Children must turn 3 by September 1st and be fully potty trained. The three-year program provides many hands-on learning activities to encourage creativity, discovery and a positive self image. The curriculum includes art, music, science and nature activities, cooking and field trips. Class size is limited to 16 children.

Program Offered:

Monday, Wednesday & Friday AM **\$255.00/Month**
